

visionair

World's best performing,
longest lasting aerosol
refill EVER!

- **Best cost-in-use & best fragrancing**, 90+ days refill change operating at 15 minute spray intervals 24/7
- **Better fragrance**, using new technology fragrance oils for professional long-lasting strength and quality
- **Better performance**, using pharmaceutical valve technology for microscopic spray dispersal
- **Better odour management**, using proprietary 'Sanodor' odour neutralizer
- **Maxi-Plus improves fragrance levels**, with any standard size dispenser
- **3 refill performance** for less than the cost of two

Top Tip: Rotate fragrances every time you fit a new Maxi-Plus refill to increase awareness that an air care system is in place

best practice – better products

Why Sanodor works

- Proprietary odor neutralizer
- Active ingredient, Citronellyl Methylcrotonatel, a proven anti-microbial
- Captures odor molecules and bacteria cells in the air
- Neutralizes background odors such as smoke, food and body odors
- Works with the fragrance oil to overcome environmental odors
- Independently tested
- US Patent no. 6540988

Why lowest cost in use
